(2) Number of tournaments used to determine the "Best N" results is equal to the rounded up value of half the total number of tournament events run. For example, if 7 tournaments ran a U14 Boys category, then the best 4 results would be used and if 8 tournaments ran a U16 Girls event, then the best 5 results would be used.

(3) Ranking based on tournament results from previous 52 weeks (* Includes previous year).
